

Office Gold Group

Edu Gold

Welcome to a new, Total Education Supplies Service.

Imagine not only a catalogue with everything your school requires, but also an on-line catalogue individually priced and built into your very own, unique, on-line purchasing system.

Our exciting-new division – **EduGold** – has been created to help even more Educational customers by offering a Total Educational Supplies Service.

We understand the needs of the schools we supply and our support and advice is literally only a phone call away. So with our highly trained and friendly telephone and field based staff, we'll soon be getting you back to doing exactly what you trained to do... teach.

EDU GOLD AT A GLANCE:

- *Unique educational catalogue*
- *Regular educational promotions*
- *Exceptional service levels - next day delivery*
- *Your own educational on-line ordering site featuring some 30,000 products with full descriptions and pictures*
- *Simple indexing for the easiest search and selection of product*
- *Core product shopping lists per department with budget setting and user controls*
- *Special, reduced pricing on all products*
- *Order authorisation levels, not only by department, but also for your entire school/college/university*
- *Complete order history, by user, department and overall site & full financial reports*

Edu Gold provide a bespoke catalogue aimed wholly for the Educational sector, it includes a wide range of products required for this sector. We supply all major branded items along with competitively priced own label products.

Our products can be viewed by our online flicki interactive catalogue, our online ordering website or paper catalogue.

Office Gold Group
